

PROCLAMATION
BY THE
Governor of the State of Texas

41-2012

TO ALL TO WHOM THESE PRESENTS SHALL COME:

June 16, 1985

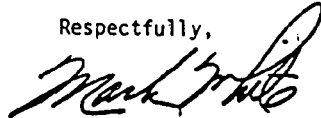

Pursuant to Article IV, Section 14 of the Constitution of Texas, I hereby veto House Bill 784 because of the following objection:

The enactment of this legislation might unnecessarily interfere with the policy considerations and recommendations that will be made by the Select Committee on Higher Education. It enacts another method of taxation which would unduly interfere with this Committee's options and alternatives for improving the quality of higher education in Texas.

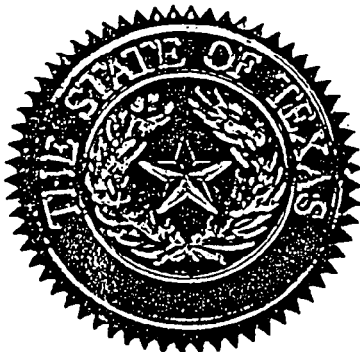

Additionally, this bill originally was introduced to address the efforts of Lamar Consolidated I.S.D. (Fort Bend County) to erect and maintain a permanent branch campus of Wharton Junior College. The local election failed in April. Thus, this bill is unnecessary to address its original purpose.

Therefore, I veto H.B. 784.

Respectfully,

Mark White
Governor of Texas
